## DR. J. HOSTETTER'S STOMACH BITTERS

FOR THE CURE OF
Disepsia, Indigestion, Nausea, Constitution Flatutency, Loss of Appetite or any Relivious Complanuts
arising from a morbid mortion of the Stumpeh
or Bowels producing Cromps Dysentery,
Tolic, Cholera Morbits, &c. &c.

All of these ills yield like magic toits vilifying in fluence upon the system, and for a prison in advanced years, or recovering from sickness of any kind, nothing can be more conductive to their convalescence than the use of these Bitters as per directions on the bottles,

Scarcely four years have clapsed since the first introduction of "Dr. J Hostetter's Celebrated Stomach Bitters" to the public, and such has been the success of this article after its tested efficacy by a discri nin-

Remove the cause by the tree use of these Bitters.
If we you lever and ague? If we many thousands in the West and South have been cured of this coun destroying disease by the free use of these

All should try this great Anidote. We venture to affirm that, when Hostetters's Stomach Bitters are used, a case of Fever and Ague cannot occur: there-fore, no family consulting their own interest can afford to do without it. A WORD TO THE LADIES.

Inrecommending to your use Dr. I flostetter's Cal-ebrated Stomach Bitters, it is but just to state that as a simulant to the system, in imparting strength wad vigor, preparatory to periodical stages, which are of times attended with much pain and trouble, we know of no preparation more happily adapted to all affections consequent upon this cause, and for crampts in stomach, cholers morbus, and all all interest erising from over indulgence in fruits, vegetables, fee creams, &c., it is certain and all wost instantancy in the creams of the control of the control

out it.

One wheeglassful taken three times each before male, ar ball the buantity if the patients are in a weak condition, and increased in proportion to their strength, will be found a great fonic agent, which all will appreciate when personally sasisfied of the facts, as they will be by gring the Bitters one trial.

Bitters have, from their manical quarties, decembes popular, there have been a great many concections called Stomach Bitters, and often represented to be called Stomach Bitters, and often represented to be the same in virtue as Dr. Hosteter's, palmed upon the public. B: careful of these vilainous compounds! Our Bitters are put up in square quart bottles, and epvered with the patent metallic cap, stamped "Hostetter's Stomach Bitters," and Dr. J. Hostetter blows on the glass. All others are imitation.

The Difference—The Two Constitution in It is reported that the late Constitution Convention in Kaneas adopted the following "Sec 14: That after the year one thousan

right of property in the ownership of slaves." to invent any new and milder name for this. It may have been the intention of those who offence than either of which are now applied framed the instrument to prevent the people from to it. BOOTS & SHOES
which he intends selling at the very lowest prices.
The Stock includes all the newes and most sessonable styles, from the best eastern manufactories.
Additional supplies will be constitution on that score. On the other hand, the Topeka constitution, which is the favorite of the Republicans in and out of Kansas—which is sustained by the Tribune, Gazotte and Commercial—does prohibit the people from altering.

It is another story is that Mr. Lawrence had assort the money for purpose of private speculation.

The amount of money thus misdirected—there, I think that is as mild a name as the constitution on that score. On the other hand, the Topeka constitution, which is the favorite of the Republicans in and out of Kansas—which is sustained by the Tribune, Gazotte and Commercial—does prohibit the people from altering.

Lawrence is the youngest of the famous attention to the constitution of the people from altering. mercial—does prohibit the people from altering Lawrence family, and the only surviving memit for nine years. Here is an extract from it:

"No Convention for the formation of a new Lather, William, Abbott and Amos, being all and can warrant his articles to be well and faithfully made, and of the best material.

Calf and Kip Boots, Stogres, Brogans, and Ladies wear of all kinds,
kept on hand or made to measure.

Sept 11, 1857

"No Convention for the formation of a new Lither, William, Addition and Amos, being made and no amendment to the constitution shall be called, and no amendment to the Commenced his business career as agent of the Middlesex woclen fails at Lowell, and for many years gave his personal attention to the decay of the business. SATURDAY, DECEMBER 5, 1857.

The Second Art us! BALL AND SUPPER of ALERT ENGINE Co. No. 1, of this city comes off at Courck's Hall, on the 23d inst. -Extensi e arrang ments are bong made to renie this entertainment the grandest affair of the 3 w 23

The President and Gov Walker .- The telegraph this week has termed with reports of differencebetween Mr Buchanan and Gor Walker, in relation to the action of the Kansas Convention. in ref sing to submit the constitution to the vote of the people. Mr Walker, it is well known, disapp o es this action, as onjust and a subversion of the great principle of popular sovereignty established by the Kansas-Nebraska act. Mr Buchanan and his cabinet are said to take opposite grounds, and maintain that as the convention was held in accordance with law, and has prepared a constitution, under which to apply has no other course but to recognize the validity members of Congress and others. of its se on.

We do not place much confidence in these reports. They all come from republican sources and experience teaches us to receive all such with many grains of allowance Mr Buchanan will speak for himself in his message next week, and then we can judge what his views are. Our opinion is that he does not approve the usurpation of the convention, but whether he may consider it the duty of the general government to set aside their constitution and refer it back to the people remains to be seen.

The democratic papers at the north, with great unanimity, sustain the position of Gov Walker

New York City Election - Fernando Wood. the regular democratic candidate for Mayor. has been defeated by Mr Tiemann, independent. The majority against Wood is 2300, Tiemann is a democrat, but was supported by Know Nothings Republicans, and disaffected democrats. Mayor Havemeyer, and other prominent democrats, took an active part against Wood. Both branches of the Council are democratic

The total vote wa: 84,000, being 6000 more than at the Presidential election.

RENSSELAER -We paid a flying visit to this pleasant little village this week, and were much gratified to see the evidences of improvement and enterprise it presents. It is the county seat of Jasper Co and is advantageously situated in the centre of a large body of the richest prairie land in the state, eapable of yielding an immense surplus of produce. The great drawback hith-Salem Railroad at Francisville, a distance of every reason to expect it will be econdeted and open to conviction cars running by Joy or Armen next. This bas given a new impolse to the growth of the place and inspired its extreme with ferms and vincingtion, even in above Lot roleg trees. Th place an add -- t has just been and ch

The completion of the Fort Wayne Western upon the promptness with which the stockholders for themselves. pay up their instalments. If they do their duty in this respect, and keep the company in fund, to push the work, they will undoubtedly see the cars by the time stated; if they are indifferent and by neglect in paying up show that they are have had before for submitting the entire Conto wait longer.

While in Rensselaer we found time to drop their domestic institutions, for themseives, in acinto the sanctum of our friend McCarthy of the | cordance with the letter and spirit of the Kansa-Banner. He publishes a good democratic paper, is a warm friend of the railroad, and ought to have a better support from the citizens of Jasper than he actually receives. The laborer is worthy Cabinet deliberations. his hire, and the publisher of such a paper as the Banner, ought to have at least a living support.

There are two taverns in Rensselaer. We had the fortune to stay at the Rensselaer Housewhere we were well and hospitably entertained by the courteous and attentive Mr Babb, who does his utmost to make his guests comfortable -and what is more, succeeds. Travellers may Governor has gone to New York on private busirely on good quarters if they stop at Babb's.

Alabama U. S. Senator. - The Legislature of Alabama has re-elected Hon. C. C. CLAT, ir., to removed before his return, in which event the entire resumption of canal navigation the United States Senate for six years from the 4th of March, 1859, when his present term will have expired.

South Carolina Senator .- Ex Governor Hammond is elected by the State Legislature to fill the seat in the UnitedStates Senate,made vacant by the death of Mr Butler.

Kansas to Apply for Admission as a FreeState -The Pittsburg Union of the 30th ult. says that, whether the Free State men in Kansas turn out Lecompton instrument, as a freeState. In other words, the Union has reason to believe that the supporters of the constitution, seeing that the popular feeling in Kansas is for a freeState mean to carry it out, whether the factions Free State men do their duty or not. Such a result is cormen do their duty or not. Such a result is cormen do their duty or not. Such a result is cormen do their duty or not. Such a result is cormen and right to be indignant—not so the substants. In the principal whord, near Ferty Amboy, N. J., on Tuesday even who are to be wood, near Ferty Amboy, N. The President's Message. -- Congress strent pext Monday, and the probability is the message beld at the Court-house in Fort Wayne on Sat to editors as soon as the telegraph appropriate with the Secretary of War on the type

questions on which the public are anxious to according to the apportionment made from the learn the views of the executive. The Washingthe President on the currency question. It remaiks:

"It is more than probable that he will suggest as a remedy for such calamitous revalsions, measures for widening the basis of the metallic currency. This is to be done by direct interference of Federal legislation. Congress may not only impose a stamp tax on all bank notes of a denomination less than twenty dollars, but they may enact a compulsory bankrupt act for the purpose of compelling every bank which issues paper to go into liquidation as eoon as it specie. The people of the country are evidently prepared for these radical measures.

"The President will necessarily refer to the Kansas question, and the instructions which he had given to Governor Walker in relation to the principles upon which the Territoria government was to be administered. Upon the course of the appear that he is as yet uncommitted upon this subject; and it is not to be taken for granted that any newspaper has been yet author zed by him, or by any member of the Cabinet, to commit the Administration in favor of the action of the Constitutional Convention, and of the adoption of the constitution which may be presented to

Cougress. "It is known that Governor Walker, who arrived here on the 25th ult., has had long interviews with the President in relatio i to the affairs of Kansas, as they now stand. Upon this statement of facts, as well as upon a recurrence to the principles of the Kansas Nebraska Act, the President will make up his mind upon the question which are soon to Agitate Congress and the country in relation to that Territory.

13 JAS. B. STEEDMAN, of Toledo. Ohio is a candidate for Printer to Congress, and will be a adm n stration to Congress, without note or comformidable opponent of Mr. WENDELL. He is ment." a practical printer, a gentleman of great energy of character, and will bring to his assistance for admission as a state, the general government a large number of very influential friends -

Fort Wayne & Bluffton Turnp ke Co-The annual election for directors for the ensuing year for the above Company, took place at Ossian, in Wells County, on the 1st inst. The following persons were elected: C E Sturg s. Christian Orff Joseph Logan, Wm T Pratt, and W S Edsall, of Allen: Jonathan Garton, Robert Souder, John A Deam, and Joseph Gorrell, of Wells County. The Board organized same day and elected C E Sturgis President, and W S Edsall Clerk and

Out of Tune - The Black Republican papers are making a great ado, just now, because the Kansas Convention did not make provision for submitting the whole constitution to the people monstrous outrage on the rights of the people. Judge Douglas and the President had a full and they are correspondingly indignant. Now and free interchange of opinion on the Kansas we don't think they have any right to get into a question; without, it is understood, being able to passion on that account. They have all along arrive at the same conclusion in regard to the been opposed to the people deciding for them-line of police which justice and duty requires selves whether they shall have slavery or not. They have been insisting that Congress should determine that, and not the people. The Lecomp ton Convention seems to have acted on the Black gretting they could not view the Lecompton Ropublican idea, and are going to ask Congress to decide the matter without the people having Senator Douglas, in conversation with his had their say. We think the Black Republicans

From California and Nicaragua New York, Nov. 30.

The U. S. mail steamship Northern Light, from Aspinwall on the 21st int., with the California mails to Nov. 4th, and nearly one and a quarter millions of specie in freight, arrived esterday P. M.

The advices from Central America are im-Republic, was preparing to place himself at the head of the army. His proclamation aunounces Republic to the territory claimed by and now in the possession of Costa Rica. Col Candi had taken possession of the river

had been undertaken by either party. The news from California is interesting.

An immense meeting of the citizens of San

Central America. A project was on foot in California to create Goose Creek mountains on the East, and Sierra Nevada on the West, and between the Oregon and Utah line on the North and California River

A card had been published in the San Francisco papers, stating that the travel would be esumed on the Nicaragua route, and that on he arrival of the mail of the 26th of October he sailing day would be announce l.

Expected Trouble in the Organization of the Minnesota State Government.—The Constituional Convention in Minnesota split in two last lune when it assembled, and there are now some indications in trouble in the organization of the State government. The Democrats have carried to sub- which, in the event of failure of other means of the fer simple of the said above mentioned and de scribed premises. Ordered to be sold as the pro-State government. The Democrats have carried mit. The Philadelphia North American, in speaking of the tone of the Republican papers in Minnesota, says: Everything now looks as though there would

oc some exciting division upon the assemblage of the Legislature, and it would not be surprisng were it to end in the organization of two ntire State governments opposed to each other.

State, and it relies very much, if not altogether, on the Black-Republicans to secure the realization of its desires. It says: "The Black Republicans have by no means the greatest enemies in Kansas of the South, and we are not without tope that the South will win the victory at last." South make Kansas a slave State? The Mercury

in the Abolitionist to vote at the late elections, the constitution to be submitted to the people and we have great hope that this will be their policy, and they will follow this up with refusing o vote for the new Legislature to organize the Perritory into a State. Should this be the course of the Black Republicans, Congress will have to admit Kansas as a slave State into the Union, and the Pro-slavery party, freed from the intervention of the General Government and the United States troops will have a fair chance of maintaining Kansas a slave State?

The New York Tribung and other Black Republican journals are advising their party in Cansas not to yote on the 21st of December. same persons that the Free State men declined mended them to do, they would have elected a any previously known. These may be mentioned decided majority of the members. The latter again advises them to rote, while Greeley hopes military force had therefore abandoned the old they won't, and the Charleston Mercury hopes they won't. The Mercury well says, that the Black Republicans have by no means been the the greatest enemies, in Kansas, of the South. The leaders, we have no doubt, desire that Kansas been playing into each other's hands, to bring about that result. We shall see if the Charleston Mercury will be gratified in its wishes, by the citizens of Kansas, who desire to make that a free State, following the advice of the Black Republican leaders - Cin. Eng-

The Chicago Tribane gives an account of a clerical land-shark, from Connecticut, who had a mortgage on a house and lot in that city for \$3,300, the property being valued at \$8,000. -The mortgage lately become due, and the tension. The clerical gentleman agreed to extend it a year for 100 per cent interest, but afterwards fell to 62 per cent.; but the mortgager declined to submit to this extortion and in for the amount of his claim.

Stands by its Principles in any Event.-The Statesman of the 28th inst., says in an article in reference to the reported interview between Gov. Valker and the President:

We-think the correspondent of the Times nisunderstands or misrepresents, the position belongs, and to stand by the State Government. Congress admits it. We will never believe that he will repudinte his pledges to the people and break faith with the National Democracy. until he forces us to that conclusion by his own words or official acts. Meantime our duty is plain, We shall stand by the principles of our party, by popular sovereignty, and the cordinal doctrine iny event. It must be remembered, that this dispatch merely reiterates the statements of a Republican Correspondent at Washington to the New York Tribune, and is to be received with a good deal of caution.

Arrival of the Fulton.

New York, Dec. 1. The steamship Fulton from Havre the 17th and Southampton the 18th of Nov. arrived shortly after 5 o'clock this P M. She brings \$219,000

Accounts from Wellachia represent the Demo cratic party to be pursuing a course likely to throw serious impediments in the way of the union of the Principalities. They aim at having he choice of a sovereign referred to the national vote, and talk of sending a deputation to the conference at Paris A conspiracy has been discovered among the

absolutists in Catalonia. The elections in Piedmont had resulted in the return of a majority of liberals. At Turin the

overnment had an immense majority .... Upwards of 400 persons implicated in conspiracy had been arrested at Naples in a single The Espana, of Madrid, says that Mr. Dodge,

the American minister, has resigned, but entirely on account of the health of his family and private The financial intelligence of the Fulton has

been mainly anticipated ria Cape Rave. The Times' city article of Saturday evening

The Panic is subsiding, and the funds closed at a further advance of 2 per cent.—after regular hours there was a further improvement of 4 the latest bargains for account being at 90a901 The rate for short loans on government securities in the stock exchange to day was 8 per cent. At bank and in the discount market the demand, hough extremely heavy, showed a diminution The excess of credit notes beyond the prescribed £14,000 000 was last night £180,000, and to day it is believed to have been further increased. An act of indemnity will have to be obtained from Parliament.

Business was done on Tuesday in Illinois Central shares at 121 discount, and Pennsylvania Central second mortgage bonds at 841. Flour very doll at a decline of teals 6d. forced sales at 6d. Corn dull at 1s, lower. Lard heavy at 60s.

Escape of a Murderer in Detroit. - The Detroit Free Prees states that Alfred Young, a negro, under sentence of death in Windsor, Canada, for the murder of his wife, lately escaped from jail

in the following way.

He was confined alone for the purpose of allowing clergymen and others who were in the habit of visiting him to converse with him undisturbed Taking advantage of this circumstance. he took fire from the stove, which was in the coom with him, and burnt a hole through the loor. Passing through this he knocked a hole through a brick wall which was built around the circumference of the room under the floor, and crawled through that He then dug under the foundation wall of the building with un iron roon, and worked his way out before morning. He then had a high wall to scale, which feat he accomplished by placing a plank up against it and, climbing up jumped down on the oatside. Having thus gained his freedom he started down the river, traveling along the bank until nearly opposite Ecorse, where he found a canoe and paddled himself across. Stopping at a farm iouse on this side he got break ast and procured a coat of the farmer, having left his own behind:

since which nothing has been heard from him

Dou's Marder and Suicide on Long Island—
At Fort Jefferson, L. J., on Startely afformer, the debrated for commercial home and prohity while Mrs. Waters was a breakfast. One payed with better on michae, Mr. Startelerant, and him with Mr. Waters he herband, suddenly and without speaking a word, struck cities the home with an iron ber in his hand, and without speaking a word, struck cities the form with an iron ber in his hand, and without speaking a word, struck cities the form with a mich ber in his hand, and without speaking a word, struck cities the form with a mich ber in his hand, and without speaking a breakfast was a hop about ten years old, who concealed intends in the losse besides the party at breakfast was a hop about ten years old, who concealed intends in the form to break speaked proposed with the form of the word of the started of cities and the case of chief investigation. Waters, weapon in fam, followed the given. Waters, weapon in fam, followed the failed, who excepted and abouted the village. People rushed to the house, and, a few paces until the source of the form of the word of the province of the conference of the form of the word with blood, and she had reserved the problem to the house hand fine word with blood, and she had reserved a house through the conference of the Government in New beaten by the same weapon in other parts of thems.—The New Orleans correspondent of the the body, and had two smaller wounds in this believed, to cause death. Resides this she was bout to mention it as a singular faort.

The wrapon was found near the barn, and is a quarter but has about any the har about an inch and a parter but its by no measus singular in New Orleans correspondent the elections of the foreign of the content of the strucked of the first in health.
